CAPABILITY STATEMENT

COMPANY

Sunset Survival & First Aid, Inc. is a certified global provider of emergency kits and supplies, classroom lockdown kits, earthquake kits, CERT, SAR, first aid trauma kits, disaster preparedness and response gear, and safety equipment. In addition to an expanded selection of safety kits and supplies, our company offers the benefit of years of experience designing custom kits for Government agencies, schools and businesses. Let us know what your team would like in an emergency kit; we will design and assemble it in the USA and ship direct to your location. Sunset Survival was incorporated in Huntington Beach, California on June 1, 2006, under our former name, Huntington Beach Sunset, Inc. As our company continues to grow, we are currently serving clients in nine states and territories.
